Our Best-Selling Weapon Sling!

Magpul® MS2™ Multi-Mission Sling

Leverage the maneuverability of a single-point attachment for direct action with a two-point attachment for stability. Quick-detach lanyard and positive-locking metal hardware provide flexibility and durability in a truly adaptable sling. **Made in the USA.**

Color: Black, Flat Dark Earth, Foliage or Olive Drab

uscav.com/34914 ..... $54.99

Magpul® ASAP™ (Ambidextrous Sling Attachment Point)

Gives shooter over 180° range of motion without binding.

uscav.com/34912 ..... $28.99

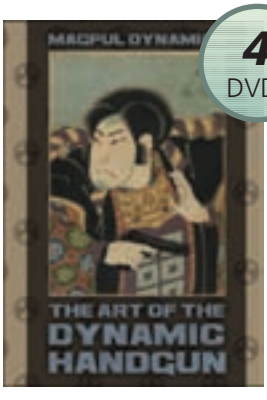
Unique design allows quick hand changes for true ambidextrous handling of your weapon system.

3 DVDs

Magpul Dynamics "The Art Of The Tactical Carbine" 3-Disc DVD Set

Over four hours of actual live fire class. Instructors Travis Haley and Chris Costa cover how to aspects and mindset required to employ a carbine effectively under stress. **Made in the USA.**

uscav.com/34061 ..... $34.99



4 DVDs

Magpul Dynamics "The Art of the Dynamic Handgun" 4-Disc DVD Set

Over seven hours of actual live fire class. Instructors Travis Haley and Chris Costa cover the fundamentals of handgun operation through problem solving in complex, real-life scenarios. **Made in the USA.**

uscav.com/35775 ..... $47.99

The REVOLUTIONARY PMAG!

MAGPUL

Magpul® PMAG™

Revolutionary polymer mag that is incredibly durable. See for yourself! Watch the video online and you'll be ordering half a dozen. Includes a pop-off storage/dust cover which alleviates pressure from the magazine feed lips without risk of feed lip creep that often causes malfunction in standard metal magazines. PMAG™ also utilizes a resilient stainless steel spring for corrosion resistance. Anti-tilt follower for increased reliability. Textured gripping surface improves mag changes. **Made in the USA.**

Colors: Black, OD, Dark Earth or Foliage

A Standard 30 Round PMAG™
uscav.com/32131 ..... $15.99

B Maglevel 30 Round PMAG™
Features 2 clear round indicator windows.
uscav.com/32132 ..... $18.99

C 20 Round PMAG™
uscav.com/34170 ..... $13.99

D PMAG™ Single Ranger Plate
Provides unsurpassed speed and controllability during high stress, tactical magazine changes. This floorplate replacement is for 20 and 30 round PMAGs.
uscav.com/34596 ..... $4.99

PMAG™ Ranger Plate 3-Pack
uscav.com/34594 ..... $14.99

E 30 Round EMAG™
Designed to fit foreign made weapons like the H&K 416, FN SCAR, SA-80, Beretta ARX-160 but is 100% compatible with the standard AR-15/M-16 platform. One clear round indicator window
uscav.com/34169 ..... $21.99

Magpul® 5.56 Nato 3 Pack

Made in the USA.

Colors: Black, Dark Earth or Olive Drab
uscav.com/32123 ..... $10.99

Magpul® Ranger Plate 5.56 Nato 3 Pack

Made in the USA.

Colors: Black, Dark Earth or Olive Drab
uscav.com/32127 ..... $19.99

Magpul® Gen III Self Leveling Follower for 5.56 /.223

Drop in replacement for the standard magazine follower in your GI mags. 4-way anti-tilt design improves feed reliability. **Made in the USA.**

Colors: Foliage or Yellow
Specify: Single or 3-Pack

5.56mm Follower
uscav.com/34237 ..... Starting at $1.99

Magpul® 5.56 Dummy Rounds (5 Pack)

Great for training. Black. **Made in the USA.**
uscav.com/34239 ..... $4.99

Magpul® B.A.D. Lever™ (Battery Assist Device)

Improve the speed and efficiency of reloading and malfunction clearance with the AR15/M16 platform. The B.A.D. Lever extends a paddle to the right side of the weapon, allowing manipulation of the bolt stop with the right-hand trigger finger. Fits standard Mil-Spec forged AR15/M16 lower receivers. Thin, anti-snag profile maintains unobstructed access to the trigger. Textured surface still allows for traditional manipulation of the bolt catch. No gunsmithing required. **Made in the USA.**

Color: Black
uscav.com/35301 ..... $27.99

1.800.777.7172
Toll FREE Monday - Friday, 8am - 7pm, EST

A Magpul® PRS AR15/M16 Stock

Replacement for standard AR15/M16 full sized stocks. Adjustable for both height and length of pull. Features rubber butt-pad, MIL-SPEC phosphated steel shafts and aluminum ball detent knobs. Body features removable end cap and integrated Picatinny rail mount and comes with all mounting hardware and two ambi sling loops. **Made in the USA.**

Colors: Black, Flat Dark Earth or Olive Drab
uscav.com/32130 ..... $239.99

B Magpul® UBR™ Collapsible Buttstock

Stability and consistent cheek weld of a fixed stock with the flexibility of a collapsible stock! Seven-position LOP adjustment with integral preset system allows direct access to a preferred position. Robust lock mechanism and multi-shell construction increases durability under severe impact conditions and accommodates large-bore calibers. Extra counterbalance weight improves handling of full-length rifles and muzzle-heavy accessories. Durable Entry Receiver Extension tube (included). Rubber butt-pad. Storage module. Length: 8" - 11.3" Adjustment Range: 3.3" **Made in the USA.**

Colors: Black or Flat Dark Earth
uscav.com/35407 ..... $251.99

C Magpul® CTR MILSPEC Carbine Stock

Drop-in replacement for standard M4 stock body. Shielded operation lever and a friction locking system secures the stock to the buffer tube for zero movement and the stability you need in any tactical mission. **Made in the USA.**

Colors: Black, Flat Dark Earth or Olive Drab
uscav.com/32129 ..... $95.99

Magpul® CTR Carbine Stock (Commercial Version)

Fits Commercial AR15 carbine tubes.
uscav.com/32887 ..... $95.99

Built-in storage.

Magpul® ACS™ M4 Carbine Collapsible Butt-Stock

A drop-in replacement butt-stock for carbines using MIL-SPEC receiver extension tubes. A streamlined, anti-snag profile shields the release latch to prevent accidental activation and the extra-power lock mechanism uses a premium chrome-silicon spring to avert auto-collapse failure. Similar to the CTR™, the ACS™ also features a supplemental friction lock system that eliminates wobble. The ACS™ comes standard with a rubber butt-pad which gives positive shoulder purchase to prevent slippage even with body armor or modular gear. **Made in the USA.**

Colors: Black or Flat Dark Earth
uscav.com/35406 ..... $128.99

Magpul® MOE™ M4 Carbine Collapsible Buttstock

Low cost drop-in replacement butt-stock for carbines using MIL-SPEC receiver extensions. Streamlined A-frame profile avoids snagging and shields the release latch to prevent accidental activation. Includes a standard .3" rubber buttpad which provides positive shoulder purchase to prevent slippage even with body armor or modular gear.
Made in the USA.

Colors: Black or Flat Dark Earth
uscav.com/35408 ..... $56.99

Magpul engineering in an economical package.

The Cure for the Common Gun!

MAGPUL

Magpul® MBUS Back Up Sights

The first sights designed as a low cost, color injection molded polymer, spring loaded folding back up sights. Fits all Picatinny rail equipped weapons, but specifically tailored to the AR15/M16/M4 platform. Dual aperture rear adjustable for windage. Height adjustable front. **Made in the USA.**

Specify: Front or Rear
Colors: Black, Flat Dark Earth, Foliage or Olive Drab

uscav.com/34975 ..... Starting at $37.99

Also Available in: Dark Earth | Olive Drab

Magpul® MOE™ Carbine Length Hand Guard

For M16/AR15 rifles with carbine-length gas systems. Combines the light weight of a standard hand guard with modular flexibility. Reinforced, heat-resistant polymer construction provides operational durability without the weight and expense of an aluminum rail hand guard. Slots at the two, six and ten o'clock positions allow for optional mounting of Picatinny rail sections for tactical lights and other accessories. Front extensions and lower lip provides additional operator protection from hot front sight assembly. **Made in the USA.**

Weight: 0.39 lb.

Length, overall: 7.12 in.

Length, mounting: 6.56 in.

Height, excluding lip: 2.32 in.

Width, max: 2.19 in.

Colors: Black, Flat Dark Earth or Olive Drab

uscav.com/35024 ..... $28.99

Magpul® MOE™ Hand Guard Polymer Rail Section

Attach to the MOE™ Hand Guard in the 2, 6 or 10 o'clock positions. MIL-SPEC M1913 Picatinny rail. All mounting hardware included.

Color: Black **Specify:** L2, L3, L4 or L5

uscav.com/35924 ..... Starting at **$4.99**

Magpul® Full Length XT Rail Panel

Very low profile panel protects unmounted rail areas from damage and provides improved grip. Includes one protector that covers 17 slots of rail. Easily cut for custom fitting. Imported.

Color: Black

uscav.com/34917 ..... $11.99

Magpul® Enhanced M16/AR15 Trigger Guard

Aluminum construction. Shallow "V" shape for better use of gloves in tactical shooting and cold weather operations. **Made in the USA.**

Color: Black

uscav.com/33004 ..... $20.99

Magpul® MOE™ Trigger Guard

Durable polymer drop in replacement. Non-folding, has rounded edges and fills the annoying gap at the rear of the standard trigger guard. **Made in the USA.**

Color: Black

uscav.com/34974 ..... **$8.99**

Magpul® Full Length XT Rail Panel

Protects the operator from sharp rail edges and provides a semi-rubbery grip surface for improved weapon control. Imported.

Color: Black

uscav.com/34917 ..... $11.99

NEW!

Magpul® AFG™ Angled Fore-Grip

Designed to improve weapon ergonomics and increase shooter speed and efficiency. Unlike conventional vertical fore-grips, the AFG™ takes into account natural body mechanics to provide a comfortable and stable user interface that reduces fatigue. By positioning the shooter's hand high on the center line of the bore, the AFG™ helps mitigate recoil, facilitating faster, more accurate follow-up shots. Reinforced, heat-resistant Polymer construction with aggressive anti-slip textured surfaces provide positive grip in adverse conditions. **Made in the USA.**

Colors: Black, Flat Dark Earth or Foliage

uscav.com/35764 ..... $34.99

MAGPUL

Mounts to any 1913 Picatinny Rail to provide a forward index point.

2 interchangeable inserts allow finger bump or flat textured surface for shooter preference.

Magpul® RVG™ (Rail Vertical Grip)

Lightweight, cost-effective vertical fore grip. Ergonomically designed for use as a traditional vertical grip while also optimized for use with the "Thumb Break Method" of shooting as taught by Magpul® Dynamics. Injection molded from a proprietary reinforced composite for enhanced strength and durability. Designed for use with MIL-SPEC 1913 Picatinny rail hand guards. Optional rail section and all mounting hardware for MOE® and Bushmaster® ACR™ Hand Guards included. **Made in the USA.**

Colors: Black, Flat Dark Earth, Foliage or Olive Drab

uscav.com/35922 ..... $22.99

Replaceable front and rear panels create a custom grip

Store extra batteries for your optics, spare bolt or a firing pin!

Magpul® MIAD AR15/M16 Grip Basic Kit

Featuring replaceable front and rear panels for a custom fit regardless of hand sizes. Grip features improved ergonomics and positive rough texture on both sides and rear back straps. Inner core allows for storage (3 round plug included). Custom storage of batteries (waterproof) or bolt/firing pin is available with optional cores. Basic kit includes 3 size back straps, 2 front straps, 3 round core plug and installation hardware. **Made in the USA.**

Colors: Black, Flat Dark Earth or Olive Drab

uscav.com/32128 ..... $35.99

NEW!

Magpul® MVG™ (MOE® Vertical Grip)

Compatible with Magpul® MOE® & Bushmaster® ACR™ hand guards without rails. **Made in the USA.**

Colors: Black, Flat Dark Earth, Foliage or Olive Drab

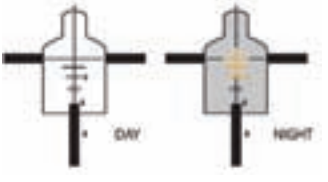
Trijicon® ACOG® 4 x 32 w/ Red Chevron Reticle

SPECS Dual-illumination technology with a combination of fiber optics and self-luminous tritium. Tritium illuminates the aiming point in total darkness and the fiber-optic self adjusts reticle brightness during daylight according to ambient light conditions. This allows the operator to keep both eyes open while engaging targets and maintaining maximum situational awareness. Unique chevron reticle pattern designed for the USMC. Includes flat-top adapter, backup iron sights and dust cover. **Made in the USA.**

Specify: M16 A2 or M16 M4
Color: Black
uscav.com/30339 ..... $1,170.99



Trijicon® ACOG® 4 x 32 w/ Yellow Reticle for SOPMOD M4

SPECS Designed specifically for US Special Operations SOPMOD M4 Carbine. To meet their requirements, the reticle bullet drop compensator and range finding stadia lines are based on the trajectory of the 62 grain bullet from a 16 inch barrel, flattop mount. Automatically adjusts the brightness level and contrast of the reticle to available light conditions. Aiming reticle glows in low-light conditions for quick target. Lamp is guaranteed to illuminate up to 10 years. Military-grade Aluminum alloy housing. Waterproof to 100 ft. Lifetime warranty. Includes flat top adapter, backup iron sights and dust cover. **Made in the USA.**

Color: Black
uscav.com/30338 ..... $1,019.99

Revision® Sawfly® Deluxe Shooters Kit

Proven performance of the Sawfly®, now with an interchangeable Clear, Smoke and Vermillion lens that is perfect for shooters. Vermillion has excellent color recognition and depth perception by reducing glare in cloudy and hazy conditions; crisp detail under artificial lights; filters out Blue light for better contrast. **Made in the USA.**

Sizes: Regular or L **Colors:** Black Frame / Clear, Smoke and Vermillion Lenses

Pro Ears Pro Slim Gold Hearing Protection

Pro Ears are the only electronic hearing protectors with DLSC technology that compresses sharp sounds to a safer level, as opposed to muting. The system also amplifies lower level sounds such as voice allowing for continuous operation. A person wearing Pro Ears will remain aware of their environment, hearing range commands or other verbal instructions as they were intended. 3.5 mm mini jack for listening to an iPod, CD player or radio. Medium profile cup. NRR: 28 dB. Weight: 11.1 oz. **Made in the USA.**

Color: Black, Green, Pink or Pink RealTree™

uscav.com/34601 ..... Starting at $289.99

SureFire® EP3 Sonic Defenders®

Protect your hearing without missing routine sounds. Safe sound levels are allowed to pass through while potentially harmful noises (above 80dB) are reduced using the patented Hock's Noise Braker filter. Sound Defenders' attached stoppers can be inserted to increase protection. Soft and comfortable hypoallergenic polymer and ergonomically shaped for all-day fit. Can be worn while with a helmet, mask, using a phone or headset. 16dB Noise Reduction Rating (NRR). Single pair - color coded left/right set. Medium size fits most. Imported.

Sizes: S - L **Color:** Clear

Sizes: M, L **Color:** Clear/Black

uscav.com/35227 ..... $13.99

Gasket-sealed, waterproof, battery storage area

MAKO GL-Shock AR15 Buttstock

Effectively reduces felt recoil and muzzle rise for better control when firing. The perfect solution for AR15s and AR10s chambered in harder recoiling calibers, such as the 6.8 SPC, .308 Winchester, .450 Bushmaster or .50 Beowulf. Attatches to any standard M4-style buffer tube. Fits both commercial and MIL-SPEC buffer tubes with a tight, rattle-free fit. All factory buffer parts are retained, since recoil-reduction takes place in the stock itself. Tire tread-inspired, integrated rubber buttpad grips body armor or tactical vests. Slots for three sling attachment locations, as well as quick-detach sling swivel mounts on both the left and right sides of the stock. Available with or without a fully-adjustable cheek riser. Imported.

Specify: GL-Shock or GL-Shock w/Cheek Pad **Color:** Black

Starting at
uscav.com/36589 ..... $95.99

BLACKHAWK!® SpecOps Adjustable Stock

Knoxx recoil reduction plus, over 4 inches of adjustment. This is a stock the entire department can use comfortably. Polymer/alloy construction makes it durable, reliable and built to last. Law enforcement agencies and military personnel can easily use their shotguns with all load bearing and ballistic tactical vests. **Made in the USA.**

Specify: Remington 870 12ga, Remington 870 20ga/Simi Rifle, Mossberg 12ga Model 500/535/835, Winchester 12/20 ga or Escort 12ga
Color: Black
uscav.com/34858 ..... $107.99

Forward Grip with Pivoting Bipod

Instantaneous push button release allows operator to immediately move from the CQB position to the fighting prone position. Bipod swivels for target acquisition and tracking, legs auto center when weapon is picked up. Bipod clamps on the vertical axis for use on uneven surfaces. Tough polymer with stainless steel internal parts for use in moist or salt water conditions. Polymer legs reinforced with steel inserts for additional strength. Quick detach Picatinny rail system. Height: 5.75" Height w/legs extended: 8" and a grip diameter: 1.5". Picatinny Rail Contact Length: 2.25". Imported.

Color: Black
uscav.com/34240 ..... $149.99

NEW LOW PRICE!

vertx for the OPERATIONAL ATHLETE

VERTX Tactical Pant by Fechheimer

The premise behind the VERTX VTX1000 series pant is that it is a covert pant for 'any time, any place, any mission.' Its best features will go unnoticed by anyone but the operator wearing them. The design was spearheaded by Arc'Teryx who took direct input from operators to make a pant for real world ops. There are a lot of little subtleties, like the shape of the main pocket. The slim horizontal area allows a pocket knife to stay vertical and out of the way. The added Spandex also gives these pants more flexibility and give which you can appreciate every time you bend over, reach up or take a knee. Right-Hand zippered security pocket. Gusseted crotch. Hidden cell phone or spare mag pocket. Speed articulated knee. Stretch waistband. Concealed back pocket credential trap. Utility notches on front pockets. Low profile pocket with speed pleat. Imported.

Waist Sizes: 28" - 44" **Inseam:** 30" - 36" **Colors:** MULTICAM®, Black, Desert Tan, Khaki, Navy and OD Green Starting at
